### Our commitment to Equality, Diversity and Inclusion

The [diversity of our community](#) is more than where our staff and students come from. More than 1000 of our staff and students identify as LGBTQ+, more than 1,300 have declared a disability and many members of our community follow a religion or belief.

We recognise the value that diversity brings and so we want to recruit, develop, retain and motivate an increasingly diverse workforce. We also want to attract people who will be good citizens, who will contribute to the life of the University and whose behaviour will have a positive impact on those around them.

Our [Strategy](#) sets out how we will do this through the delivery of a fair and supportive working environment for all.

The University of Essex is proud to be part of the Disability Confident scheme and is committed to supporting diversity and equality, representative of our inclusive community. As part of our commitment to this scheme any candidate who has a disability and meets all the essential criteria for the role will be offered an interview. We also work in partnership with national disability organisation [AccessAble](#) who provide detailed online access guides to many of our campus buildings and facilities which you may find useful.

Please note: We are only accepting on-line applications for this post. However, if you have a disability that makes it difficult for you to provide us with information in this way, please contact the Resourcing Team (01206 876559) for help.

**Closing Date: 4 September 2022**

**Interviews are planned for: TBC**
