

IARR Membership Committee Goals for 2022-24

Goal	Subgoal
1. Increase membership by offering more benefits to being a member of IARR	Increase awareness of SIG via social media.
	Check Travel grants for students (for diversity).
	Offer the best poster and talk awards at conferences to IARR members only, especially early career researchers.
	Brainstorm key contact on each special interest group. (purpose: to build a community to share ideas and foster research collaborations). Current special interest groups: Adolescent Romance/Intimacy Attachment Clinical Applications to Relationship Research Digital/Social Media and Relationships International/Intercultural/Cross-cultural Research in Romantic Relationships LGBTQIA+ Relationships Relationship/Sexual Violence
	Webinars from special interest group.
2. Increase membership by offering reduced membership fees for people in certain regions of the world.	Remind members to renew membership and check eligibility for reduced membership fees.
3. Increase the diversity of IARR members.	Recruit membership committee members from different disciplines and, countries and ethnic backgrounds, work with the Diversity and Inclusion Task Force Committee.
